# Serenity<sup>™</sup> Programmable Pellet Stove

Ardisam is an American company based in the heart of the Midwest, where the Seasons help shape the character of who we are and the products we build. Because we believe in and use the many products we design, we are uniquely qualified to deliver genuine innovation and service that are born of the outdoor rural lifestyle in which we live. Spring, Summer, Winter, or Fall, we are always prepared to serve the needs of our customers through the best designed products on the market, as well as through our world class customer service. Since 1960, Ardisam has built its legacy on the tradition of providing countless customers with exceptional service and value through its many brands that span all Seasons and stand the test of time.

### Serenity<sup>™</sup>

Programmable Pellet Stove

## Serenity<sup>™</sup> Easily Add Heat to a Room or Structure

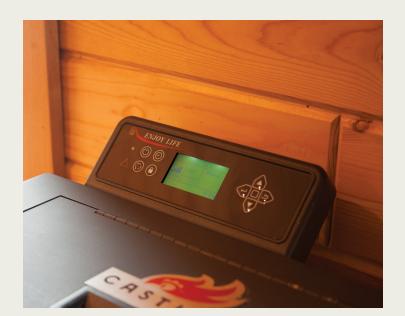

Placing a Serenity<sup>™</sup> Programmable Pellet Stove in your home or outbuilding is a smart move, because it quickly adds warmth, and is uncomplicated to install. Whether you want to add heat to your great room or your basement, your out building, or your hunting cabin, this is the way to do it. It will look great in your sitting room when guests come to visit. It will also function well in the industrial environment of a pole shed. Make the Castle<sup>™</sup> Serenity<sup>™</sup> your preferred method of heating.

#### Programmable Controller

- Programmable Controller with Thermostat
- Calendar and Time-Based Heating Options
- Remote Controlled Programming
- Full-Range Diagnostics Included

#### High Efficiency

- Innovative Heat Exchanger Features Cooling Fins, Similar to Automotive Engines
- Minimizes Ash Build-Up
- Maximizes Heat Transfer to Room
- Pellet Fuel is Conserved

#### Easy Clean

- Easy Cleaning Means Consistent, Maximum Heat Transfer Year Over Year
- No Tubes, Corrugations or Hidden Chambers to Get Clogged with Ash
- No Disassembly Necessary to Clean
